Help Us Reach Our Goal!

Tee off with TIC on Tuesday, May 24th, at Indian Pond Country Club in Kingston. Help us reach our goal of raising \$20,000 in support of programming and vocational services. On average, it costs approximately \$70 for each hour of programming. TIC operates 24/7, 365 days a year providing access to information vital to the visually impaired and print impaired community. TIC has been referred to as "a lifeline" by our listeners. This year, TIC, in collaboration with the Massachusetts Commission for the Blind, launched the ground breaking VOICE program aimed at empowering blind individuals with the skills to gain meaningful employment. All funds raised from the Golf Tournament will ensure that TIC will continue to make a difference and have an impact on the lives of our listeners everyday.

Come join us for a great day of golf in support of a very worthy mission and leave gratified that you have made a difference in the lives of the more than 25,000 of our listeners that depend on TIC Network for their information.
