

SUBSCRIPTION UNDERWRITING

Believe it or not, TIC pays for all our print and periodical subscriptions. We read all the major newspapers as well as over 50 periodicals. We have customized some of our programming to combine multiple periodicals in an effort to bring as much information to our consumers as possible.

You can show your support for TIC by purchasing one of our annual subscriptions. The impact of your gift would be profound as TIC spends close to \$3,000 annually on these subscriptions. Below is a listing of all the subscriptions along with their sponsorship fee. They range from \$25-\$500.
